

ORDER FORM PRINTMAKING WITH PHOTOPOLYMER PLATES

This book has been designed to help novices as well as more experienced printmakers to produce successful prints in the new photopolymer medium. The methods described in this book are a safe and easy way for artists to produce intaglio and relief prints. All that is needed to make the plates is UV light and water.

\$45.00 AUD per copy including postage, handling & taxes. Allow 21 days for delivery.

Payment accepted by cheque in Australian dollars, and electronic funds transfer.

Receipt will be posted with book.
